6. Project website - <http://ix.lt/musicwithoutwalls/>, Facebook group - „Music without walls“ (<https://www.facebook.com/groups/289515021208915/>).

#### **PREPARATION**

7. Please learn three Lithuanian folk songs, which you can find on the Project website and Facebook group.
8. Please film a short video (~1 min.) to represent each participant (youth and group leaders). We will put these videos into our Facebook group so that we could get to know each other until the meeting.
9. Please fill out the attached „List of Participants“.
10. Prepare your own country’s and institution’s introduction, which will be demonstrated during the activities. Also prepare for the intercultural evening: introduce the national cuisine, national games, and dances.
11. Please make sure that all the participants from your country are insured.
12. Please bring with you some music instruments to Lithuania.

## PROJECT PLACE

13. All project members will live in one house with six-person rooms. In the rooms there is a bathroom, WC, wardrobes. Lithuanian and Polish members will live in the rooms together.
14. There are no hair dryers in the project place. Please take it with you. There are no washing machines. Take enough clothes for leisure time, sports, cold evenings.
15. There is a fridge, so you can take some food or snacks. Also you can bring some sausages for a late evening barbeque, because there is a fireplace.
16. **There will be no use of alcohol or other psychoactive substances, that there will be no criminal activity or other law violations.**
17. Please take some spray against mosquitoes and ticks, because the homestead is near the forest.
18. The project place is far from the city. The nearest store is 10 km from the homestead. Think about hygiene, snacks, and etc.
19. Think about your health; make sure you bring the necessary medicaments.
20. Please keep order in the project area. Project members will be held responsible for any damaged furniture and other equipment. Behavior rules will be discussed at the place.
